

New 4<sup>th</sup> Edition

Now available for  
purchase

*Your Skin & You* by Bea Kinnear exposes the hidden dangers of supposedly safe skin care ingredients, while separating truth from hype. Inform yourself and reclaim your power to choose what is best for your skin.

The 4<sup>th</sup> Edition includes updated material, tells you which cosmetic Corporations have merged in the last two years, and gives you product and ingredient information. You will also find out what abbreviations like OTC means.
